## NES Environmental Updates

We had 5 inspections last month, all with no NOVs. The Navy has been emphasizing Active Shooter Training requiring all federal employees to take it online and in person. This could be why we had a Security Inspection at NBSD CSW in May.

The DTSC at NBC has been scheduled for Tuesday and Wednesday June 18th and 19th. CUPA is 2 months overdue for NAB CSW and NBSD CSW.

North Island Remediation Core Team is hosting a North Island Bus Tour on Saturday 22 June 2019 from 9:30-12:00. It is free and the base environmental people give a tour of various sites on the base. It is free and open to the public so if you have friends or family who have been wanting to see the base, now is your chance! Let Ellen know by 20 June and she will get you signed up.

- Ellen Nelson

### **A Note to All:**

There is an unused Lenovo Think Pad Pro Docking station that we have no use for on the project. It is still wrapped up and in the box. If you can use it, let Brent know and you can have it. Better to give to someone than to dispose of it as waste!

# HAPPY FATHER'S DAY, TO ALL THE FATHERS IN OUR TEAM!
